

Courses in Hardanger embroidery

Learn how to sew Hardanger embroidery the way we do it in Hardanger! From the 17th century onwards women in the region have sewn Hardanger embroidery as part of the local costume traditions. Since then the interest for this unique handiwork has spread to most parts of the world. At the Hardanger Folk Museum we arrange courses in Hardanger embroidery. Let our teachers show you the secrets and techniques of the handiwork, in the heart of the area where it once emerged. See our exhibiton of hardanger embroidery, the largest collection i Norway.

The Hardanger Folk museum is located in idyllic surroundings, 300 m from the ferry quay at Utne. At the museum the history and culture of the region is brought to you by changing exhibitions, concerts and other arrangements all year round. Overnight stay at one of Norways oldest hotels. Utne Hotel has been open continuously since 1722 and has long traditions in giving thought and consideration for the hotel guests.
